Learner's Feedback Form

Name of Student: Christian John C. Sabino

Program: BS in Information Technology

Year Level : 4th Year Section: NW4B

Faculty : Brian N. Manalao

Schedule : Mon 7AM -10AM, Fri 10AM-12PM

Course Packet : CP 02

Code : ITCC1413 Title : Virtual Lan Concepts

How do you feel about the topic or concept presented?

☒ I completely get it.

☐ I'm struggling.

☐ I've almost got it.

☐ I'm lost.

In what particular portion of this course packet, you feel that you are struggling or lost?

This topic was discussed very well and I don't think I struggled too much with any part of it.

Did you raise your concern to you instructor? ☐ Yes ☒ No

If Yes, what did he/she do to help you?

If No, state your reason?

I did not, there was no concern to be raised.

To further improve this course packet, what part do you think should be enhanced?

Everything was presented and demonstrated well so no need for further enhancements.

How do you want it to be enhanced?

There is nothing needed to be enhanced.
